## ZONTA MISSION STATEMENT

Zonta International is a leading global organization of professionals empowering women worldwide through service and advocacy.

## ZONTA'S VISION

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential.

In such a world, women have access to all resources and are represented in decision making positions on an equal basis with men.

In such a world, no woman lives in fear of violence.

## ZONTA'S OBJECTIVES

- To improve the legal, political, economic, educational, health and professional status of women at the global and local level through service and advocacy.
- To work for the advancement of understanding, goodwill and peace through a world fellowship of members.
- To promote justice and universal respect for human rights and fundamental freedoms.
- To be united internationally to foster high ethical standards, to implement service programs, and to provide mutual support and fellowship for members who serve their communities, their nations and the world.
- Zonta International, its districts and its clubs are nonsectarian and nonpartisan.

THE ZONTA CLUB OF BERKSHIRE COUNTY envisions our way of following our objectives by:

Our involvement in community service.

Attending seminars, workshops and retreats organized by district and area clubs.

Participating in advocacy supporting policies and legislation in fields that particularly affect women. For example: the United Nations and state, local, regional and national government agencies.

Supporting efforts like ZISVAW to focus on timely issues affecting women and the family.

The Zonta Club of Berkshire County has so far met some of these goals by contributing to:

- The Amelia Earhart Fund
- American Cancer Society's "Relay for Life"
- The Girls Inc. Scholarship Fund
- Berkshire Community College Scholarship Fund
- Elizabeth Freeman Center
- UNICEF
- YWPA (Young Women in Public Affairs Award)
- ZISVAW (Zonta International Strategies to Eradicate Violence Against Women)
- The Christian Center-Food Pantry
- Lenox Food Pantry

The Berkshire County Club is one of nearly 1,200 Clubs in 65 countries with over 31,000 members. We have a common goal - "to advance the status of women, giving us the collective strength to help individuals the world over realize their potential".

We have a diverse membership building a network of contacts throughout Berkshire County's business and professional community.
